ICCS Survey on the Impact of Novel Coronavirus (COVID-19)

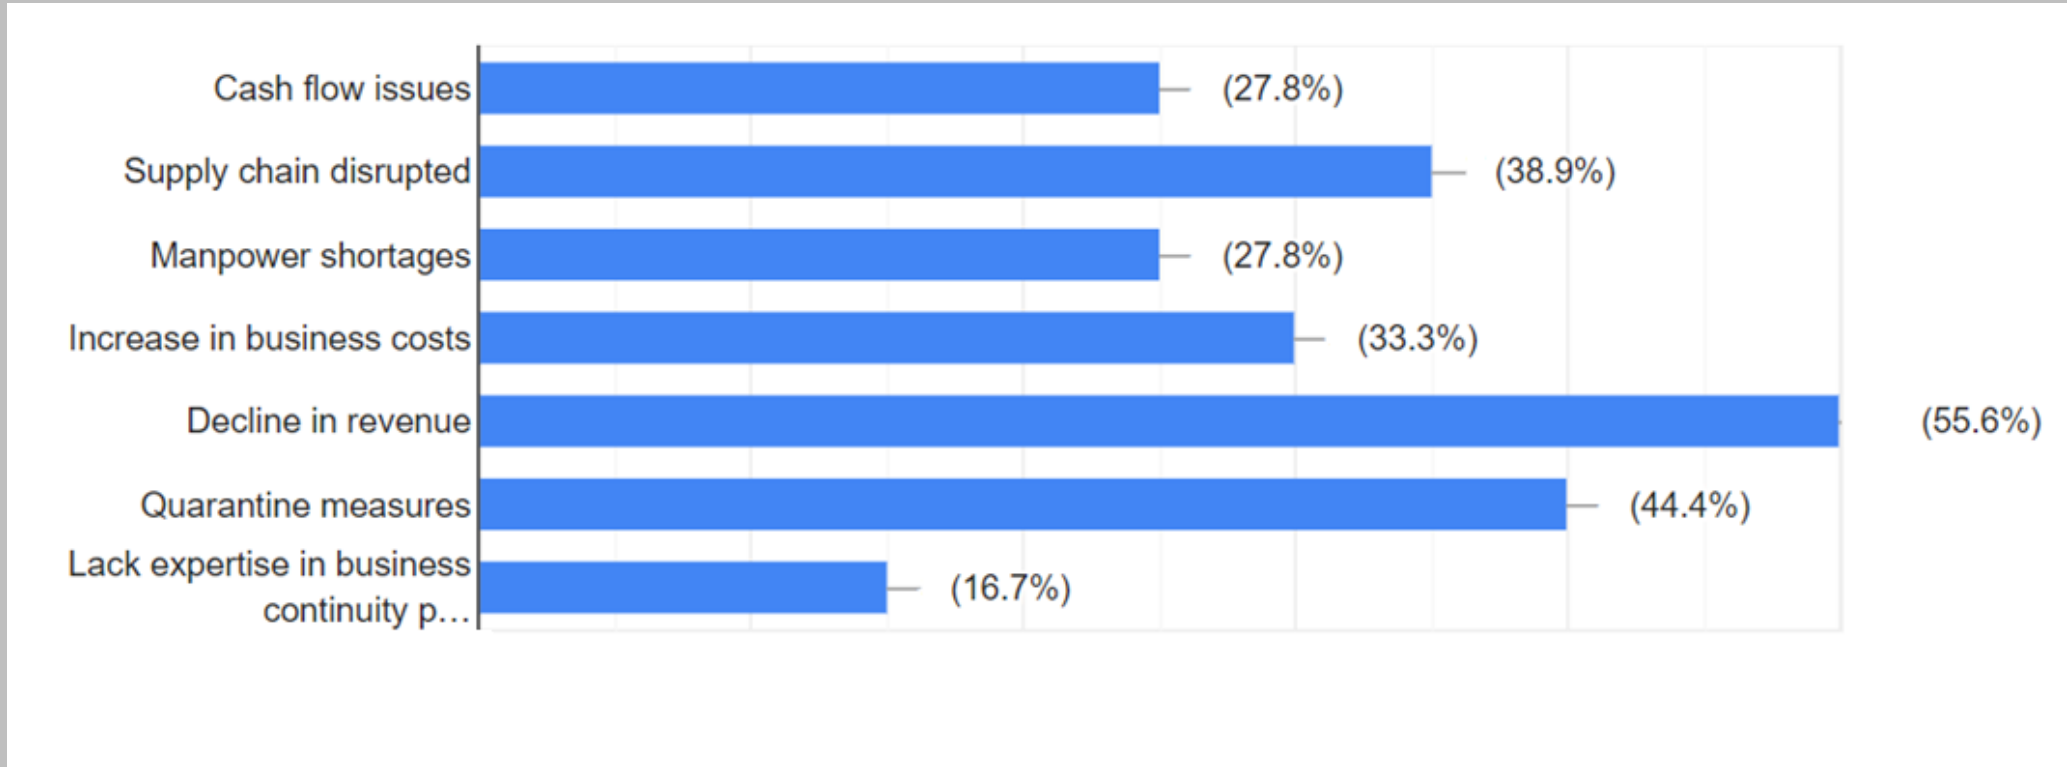

1. Which country is your Head Quarter located in?

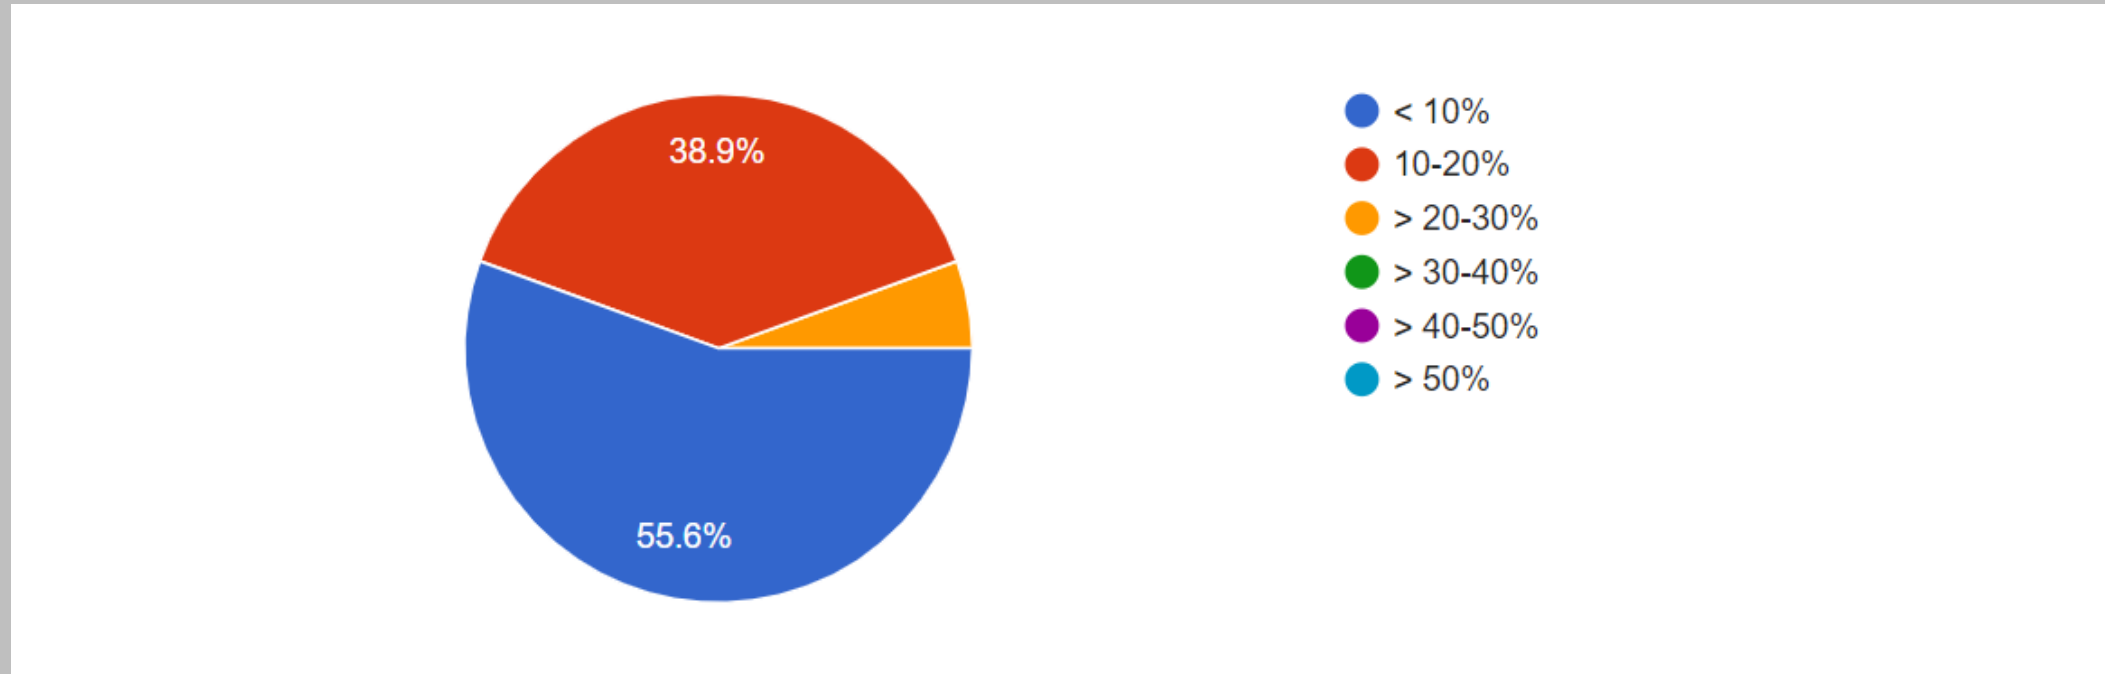

2. Which industry is your business in?

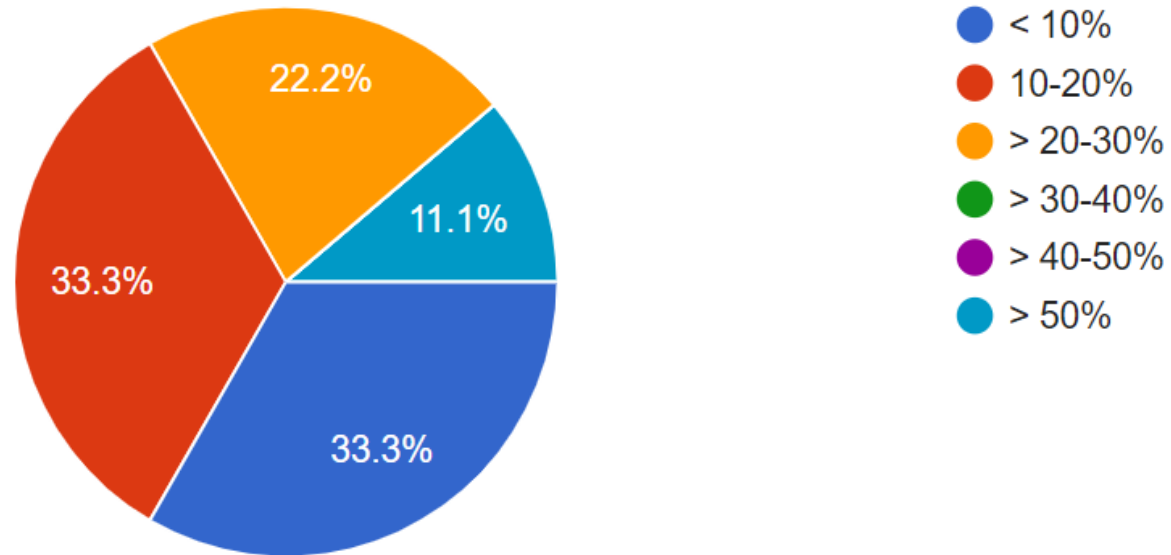

3. What are your top 3 business challenges due to the COVID-19 outbreak?

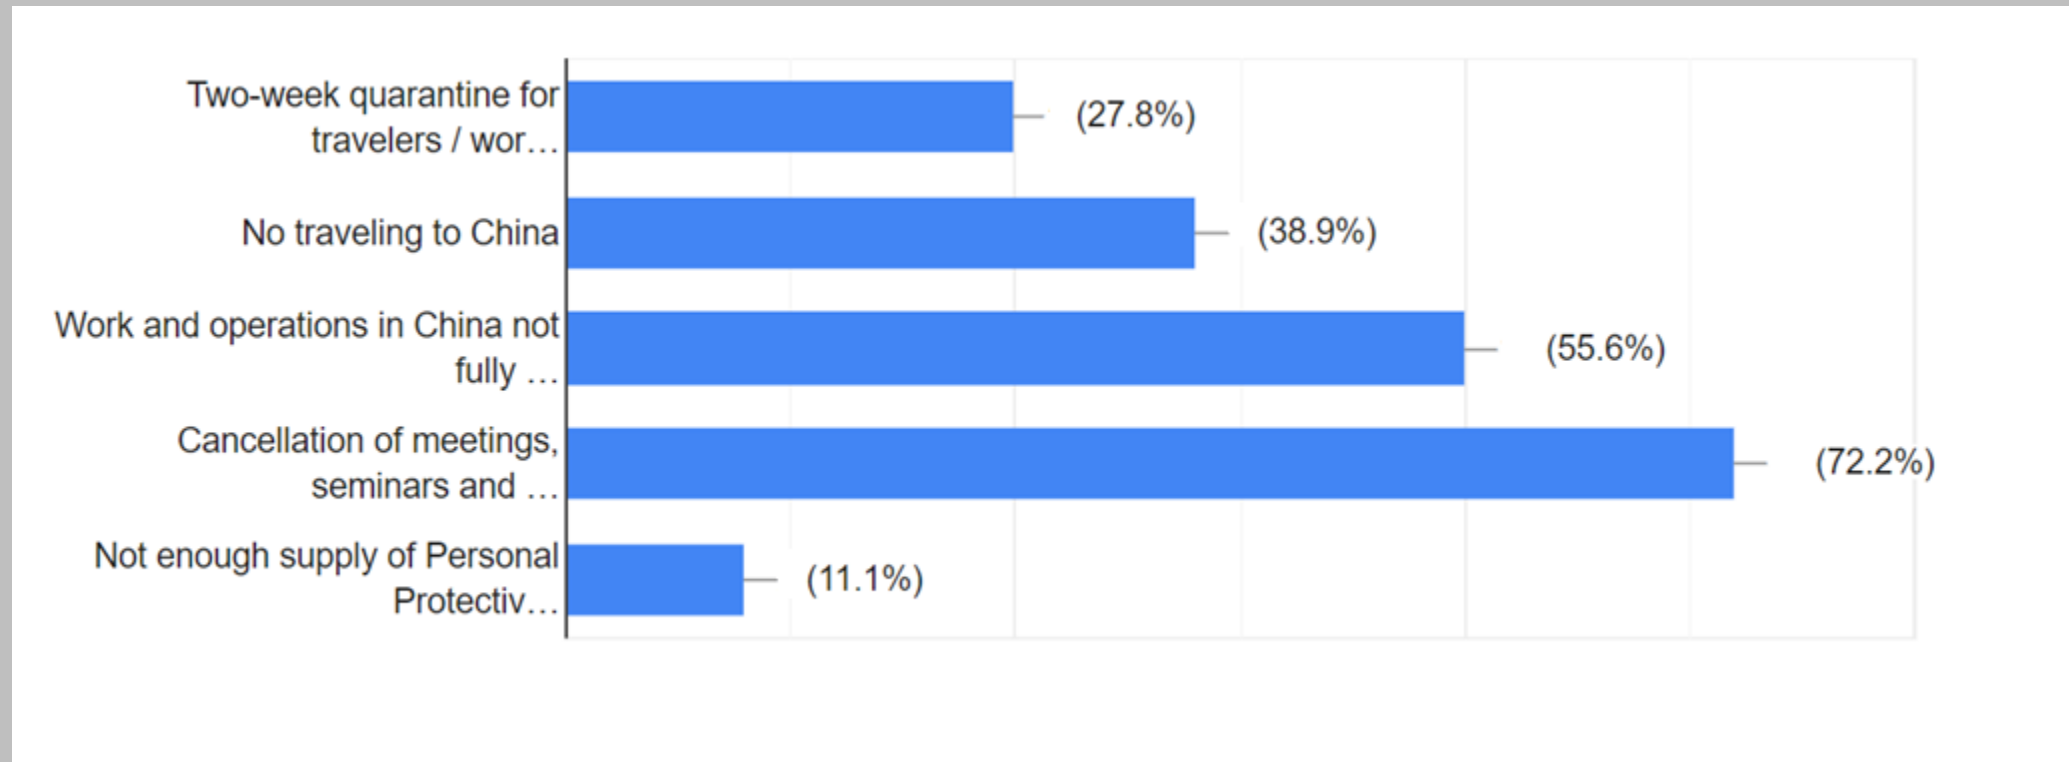

4. To what extent do you project an increase in business costs in the near-term?

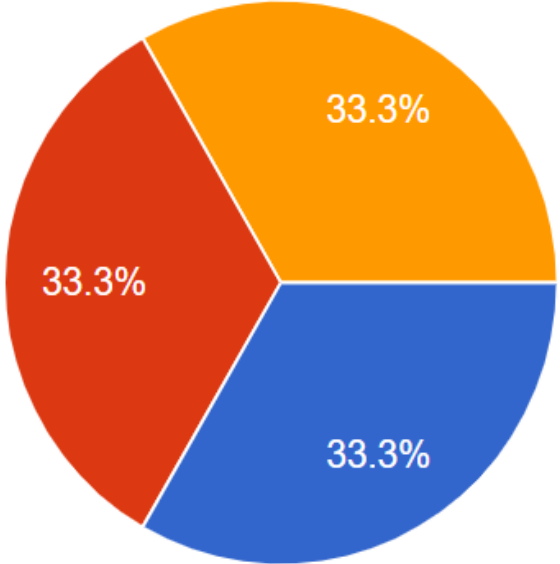

5. To what extent do you project a decline in revenue in the near-term?

6. Which of the following quarantine measures have impacted your business?

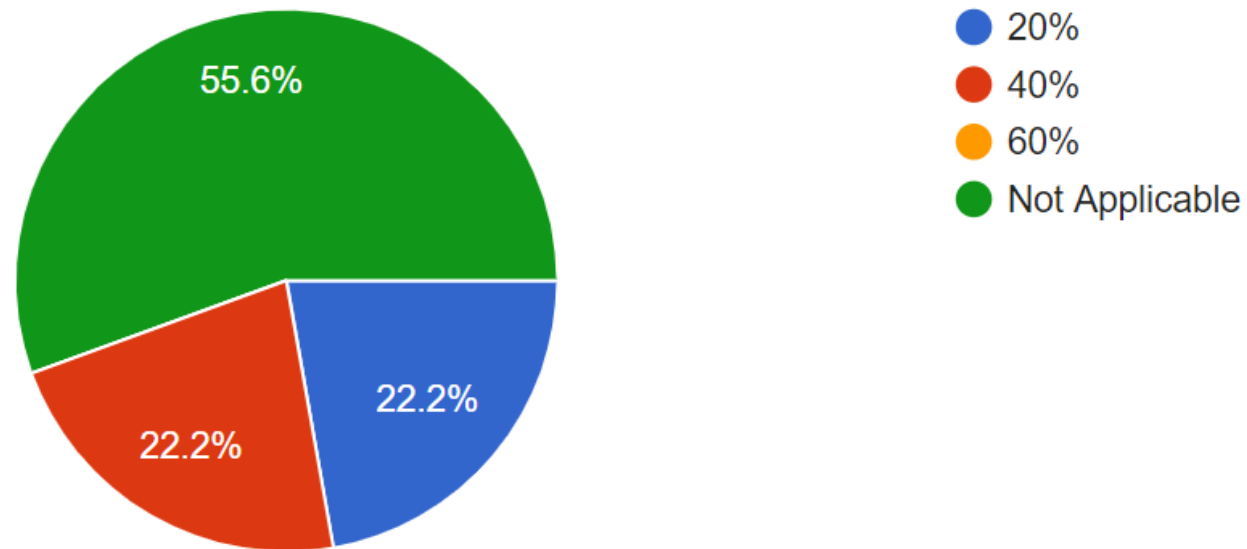

7. Would the diversification of markets, supplier sources and employees sources help to minimize the impact on your business?

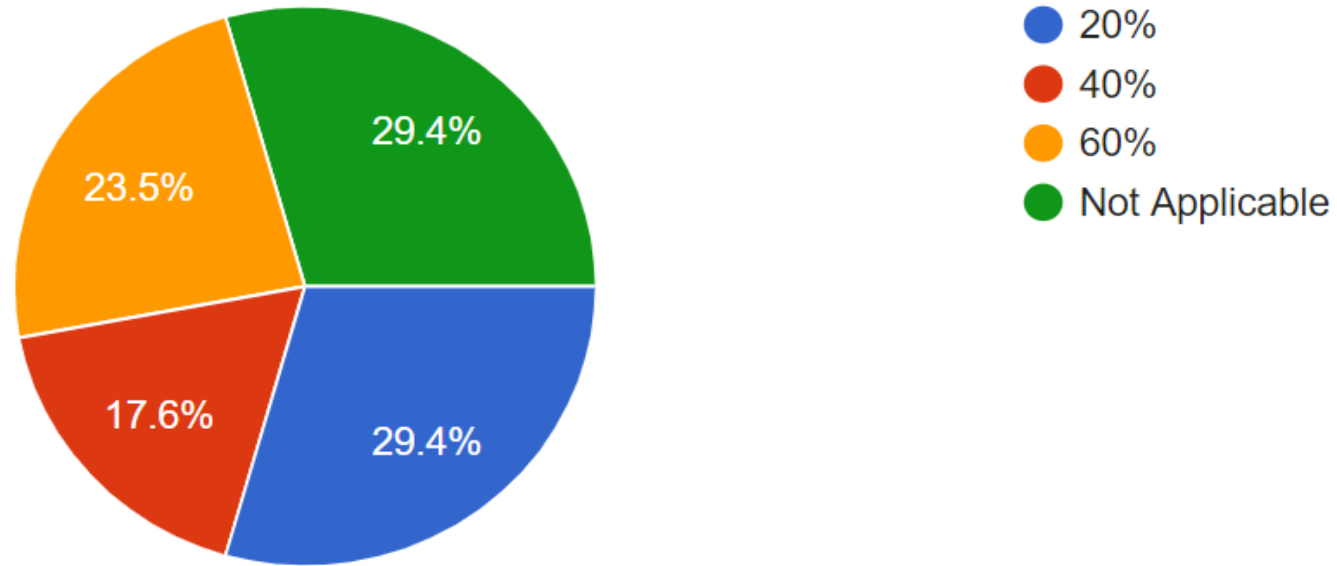

- Yes, and we will continue our efforts to do so
- Yes, but we will face challenges
- No, it will be of limited help

8. If your business is active in China, how much (in percent) does revenue generated from the Chinese market account for your company's annual turnover?

9. If your business is active in the ASEAN Region, how much (in percent) does revenue generated from this market account for your company's annual turnover?

Thank you
